Readers

We will be celebrating Dr. Seuss week and School's week with some fun books and activities.

If you (or another special person) would like to come to the classroom and read a book to the class, please let me know!

Field Trips!

This month we are going to go on 2 field trips! January and February didn't work with sickness and weather so I'm crossing my fingers March will be better and we can finally go on our field trips. My plan would be to ride the Otter Express to the field trip and then PICK UP would be at the field trip. Field trips are on the calendar but more information will be sent out before the field trip day!

Egg Cartons:

If you have any unused/empty egg cartons, I would love to take them off your hands. We have a project for Easter we will be needing them for!
