🍀 Lutheran Preschool Play Date Recap 🍀

Our play date on August 19th was such a success! We were thrilled to see so many smiling faces and little feet running around. The children had an amazing time playing together, making new friends, and enjoying the beautiful day. We loved seeing our preschool families come together and are already looking forward to the next one! Thank you to everyone who attended and helped make it a fun-filled day! Keep your eyes open for more play dates.
